## PREMIER PLAYER ACADEMY

Whether you are a high school or club player or a seasoned veteran preparing for a successful college career, the Premier Player Academy will help you realize your goals. A specifically designed curriculum will feature only the best and most effective techniques available. All instruction will be conducted by college coaches who will put you through the paces of a typical college pre-season routine. You will play with and against current and former AUM Soccer players, who are there to show you what the next level is all about, while giving you the chance to become more familiar with the elite college level. All coaches will be available after each session to answer any questions you may have on a "one-on-one" basis.

Our Academy setting will challenge the field players in attacking skills, speed of play, and quick decision making through small sided 11 v 11 matches. The goalkeepers will be challenged through individual exercises, as well as full sided activities.

### ACADEMY DIRECTOR

After leading the AUM Lady Senators for three seasons with an overall record of 49-18-3 and a 2004 NAIA National Tournament "Sweet 16" appearance, Coach Koch took over the AUM men's program in 2007. He immediately continued

the long tradition of success with a 17-5 record, a NAIA Region XIII Championship and a run in the NAIA "Final Four." The 2008 AUM squad finished the season with a 12-5-1 record and continued the tradition of being ranked in the NAIA Top 25 for a ninth consecutive season to finish its campaign. In 2009, the men's soccer squad finished their campaign with a 13-4-2 record, an appearance in the SSAC Championship match and a final Top 25 ranking of 17th.
